**CONTINUATION OF COMPLAINT:****NAME: Ruben TREJO-Manriquez****PROBABLE CAUSE STATEMENT**

On January 23, 2008, at about 1:45pm defendant Ruben TREJO-Manriquez was apprehended by U.S. Border Patrol Agents near Tecate, California. The defendant freely admitted that he was in the United States illegally and had no valid documents to reside or travel in the United States. The defendant was arrested for illegal entry and 3056 PC, Parole Violation. Defendant was then booked into county jail and an Immigration Hold (I-247) was placed pending his release.

On April 10, 2008, defendant was released from Donovan State Prison and referred to the custody of Immigration and Customs Enforcement (ICE) Field Office in San Diego, California. An Immigration Enforcement Agent conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico having been deported or removed from the United States on at least one occasion.

A thorough review of official immigration computer database record checks and information contained in the Alien Registration file revealed that the defendant, Ruben TREJO-Manriquez, has been ordered removed from the United States by an Immigration Judge on December 13, 2004, and removed to Mexico via the Nogales, Arizona, Port of Entry on the same date. Defendant has also been ordered removed from the United States by an Immigration Judge on August 28, 2003, and removed to Mexico via the Nogales, Arizona, Port of entry on the same date. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System IDENT and Automated Fingerprint Identification System IAFIS were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as Ruben TREJO-Manriquez, a citizen and national of Mexico.

All information indicates the defendant is a citizen of Mexico having been previously deported from the United States, and has illegally re-entered the United States after deportation, in violation of Title 8 of the United States Code 1326, Deported Alien found in the United States.
